VILLAGE WEEKENDS

CHINESE | FRENCH | GERMAN | SPANISH

Village Weekends are programs designed for school groups to experience language and cultural immersion outside of the classroom. Single day, three-day, and four-day programs are offered throughout the academic year as day camps for students in grades K-12 or overnight trips for those in grades 6-12. **Day trip** programs are designed to engage and motivate learners in a celebratory theme to help reinforce social studies concepts, while **overnight** programs highlight an overview of the culture, appropriate for both language learners and social studies students.

Concordia Language Villages is excited to be a part of your school's language and cultural learning journey.
