LANGUAGE VILLAGES

PORTUGUESE

at Mar e Floresta

The Portuguese-speaking world spans the globe — from Portugal to Brazil, from Mozambique to Timor Leste and beyond! At *Mar e Floresta* in the North Woods of Minnesota, we draw on diverse cultures and traditions as we learn the world's sixth most widely spoken language. Enjoy traditional foods like top-it-yourself *Rodizio de Pizza* and *Bibingka* (baked rice cake). Learn traditional drumming, paint your own *máscaras* (masks), and hone your skills on the *futebol* (soccer) field. From the time you wake up in the morning to the time you go to bed at night, you'll find yourself engaged in a variety of community and cultural activities, all geared toward listening, speaking, and eventually even starting to think in Portuguese.

Plan your Portuguese language journey today.
