RUSSIAN

at Lesnoe Ozero

At *Lesnoe Ozero*, Лесное озеро, our Russian Language Village, you'll experience living in another language and participating in cultural activities from a variety of countries and cultures where Russian is widely spoken. Design your own nesting *matryoshka* doll or Ukrainian *pysanky* (Easter egg); explore music such as Tuvan throat-singing, Tchaikovsky, and the three-stringed *balalaika*; practice your dance skills with the acrobatic Ukrainian *hopak* or the lyrical Central Asian *kara jorga*; or develop your culinary talents by cooking *blini* (crepe-style pancakes) or *hachapuri* (Georgian cheese bread). You'll also learn more about important current and past world events and international relations activities. Explore new cultures at *Lesnoe Ozero*!
