

CONCORDIA
LANGUAGE VILLAGES

SWEDISH

at *Sjölunden*

Välkommen till Sjölunden, our Swedish language and cultural immersion program. Here, in a village of traditional *svenska stugor* (Swedish cottages) resembling a small fishing village, you will be surrounded by the sights, sounds, flavors, and customs of Scandinavia's most populous nation. Learn the language and the culture of the country that has not fought a war in 200 years, serves up scrumptious foods and is the home of popular music (ABBA), cars (Saab), and furniture (Ikea).

Experienced speakers will help you live the language of one of the world's most prosperous and progressive countries — one that just happens to have also been the ancestral home of thousands of Minnesotans.

Plan your Swedish language journey today.
