DANISH

at Skovsøen

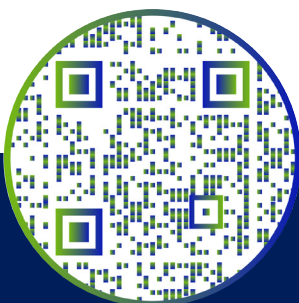

Denmark is the birthplace of legendary author Hans Christian Andersen and is regularly recognized as one of the happiest countries on earth. Learning Danish at *Skovsøen*, our Danish Language Village, will be an experience you'll treasure for a lifetime. You'll have opportunities to sing songs and learn about Danish music. Outdoor activities include canoeing, hiking, swimming, and Danish games such as *kubb* (throwing game) and *rundbold* (similar to baseball and cricket). Meals featuring traditional Danish foods like *frikadeller* (meatballs), *smørrebrød* (open-face sandwiches), and *rødgrød med fløde* (traditional fruit soup) will delight and inspire. Experience the language and culture of Denmark at *Skovsøen*!

2026 YOUTH PROGRAMS

Skovsøen will offer one- and two-week sessions from June 15-27, 2026, for ages 6-18.
