# FAMILY

## Weekends

Family weeks and weekends are a great way to spend time together, discover new international foods, play games, make crafts, enjoy music, and take part in some old-fashioned outdoor fun. While you're busy having a good time, together you'll experience the wonder of speaking a new language through our fun and natural immersion environment.

**Plan your family language journey today.**

Family programs are designed for family units that include at least one adult (age 19 or older) and one child (age 18 or younger).
