

**CONCORDIA**  
LANGUAGE VILLAGES

# LEARN FRENCH

at *Les Voyageurs*

**June 16-21**

**APPLY NOW**

For those seeking a first taste of the *voyageur* life, this one-week session for **ages 10-14** offers a rewarding adventure while not leaving our Turtle River Lake site. Perfect for younger or less experienced campers, you'll still hone your canoeing and camping skills while studying the history and traditions of the *voyageurs*. This session emphasizes community building, immersion in nature, and the joy of paddling, all while speaking French. It's an ideal introduction to the *voyageur* experience with a manageable physical challenge!

## **SCHOLARSHIPS AVAILABLE!**

With generous donations from Bemidji Area Friends and other funds, we are offering a scholarship of \$1,000 for up to five Bemidji-area youth to attend this *Les Voyageurs* session from June 16-21. Apply today. Registration closes soon!

Our Passport Fund makes applying for scholarships easy — one application connects villagers to multiple funding sources. Just complete your program registration! It includes your Passport scholarship application. Let us help make your language learning adventure a reality.
