LANGUAGE VILLAGES

A program of

CONCORDIA
COLLEGE

At Concordia Language Villages, we inspire courageous global citizens — one immersive experience at a time. Learning a language is just the beginning. Here, you won't just study words and phrases; you'll live the language through authentic cultural experiences, from singing traditional songs to playing games unique to each culture.

Live the Language, Live the Culture

With 14 language programs to choose from, Concordia Language Villages invites you to join the global conversation. Whether you're making dumplings at *Sēn Lín Hú*, our Chinese Language Village or paddling a canoe like a French voyageur, every moment is a chance to build fluency, make lifelong connections, and experience the world in a whole new way.

Concordia Language Villages is accredited by the American Camp Association and offers programming options for youth ages 7+, adults 18+, family programs, Cognia-Accredited high school credit programs and customized programs for school groups or corporate events.

YOUTH PROGRAMS

From Adventure Day Camps to one-week, two-week and four-week programs, we've got experiences for every age and proficiency level. Villagers are immersed in the target language and culture from sun-up to sun-down.

ADULT PROGRAMS

Adults interested in personal or professional enrichment will enjoy a rich array of focused and engaging language learning, cultural presentations and hands-on activities (games, sports, cooking, music and more) as well as culturally appropriate meals.

FAMILY PROGRAMS

Family weeks and weekends offer preparation for trips abroad or summer camp stays as well as chances to explore heritage or learn together. Families play games, make crafts, enjoy music and experience culturally authentic dining.

HIGH SCHOOL CREDIT

Our Cognia-accredited high school credit programs are offered to students entering ninth through 12th grade at any level of proficiency. Two- and four-week programs can earn students a semester to a full year's worth of language credit.

VILLAGE WEEKENDS FOR SCHOOLS AND EDUCATORS

Village weekends are designed for school groups to experience language and cultural immersion outside the classroom. Single day, three-day, and four-day programs are offered throughout the academic year as day camps for K-12 students or overnight trips for those in grades 6-12.
