YOU DID IT!

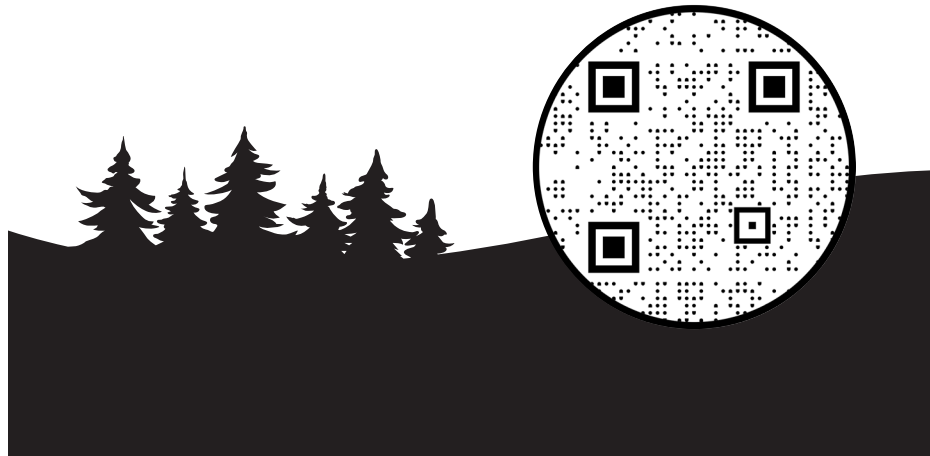

Thank You
for an amazing summer program
of language and culture!

This summer, you didn't just attend camp — you explored the world through language, food, art, music, games, and friendships across 14 incredible languages at the Villages! You practiced, played, spoke, sang, cooked, danced, and grew. Whether you were here for one, two or four weeks — you took a bold step into a global community!

WHAT'S NEXT?

Keep the momentum going! If you love your language and want more, or want to try a new language (no prior experience needed), Concordia Language Villages also offers two- and four-week high school credit programs available for 2026, as well as an option to attend a 100-level college credit session in any of these languages.
