## **JAPANESE HIGH SCHOOL CREDIT — ARTS & MEDIA PROGRAM**

Join us for the Japanese Arts & Media themed two-week credit program this summer. This session will not only focus on Japanese language skills, but also on various types of Japanese art ranging from traditional calligraphy and flower arranging to modern forms of mass media like anime and film. Villagers will be encouraged to expand their creative horizons along with their linguistic ability in order to learn new skills and create art that will deepen their understanding of Japanese language and culture. This program is the equivalent of one semester of high school credit, or one-half Carnegie unit.
