

Your language adventure starts here — **SCHOLARSHIPS!**

At Concordia Language Villages, we inspire courageous global citizens — one immersive experience at a time. Learning a language is just the beginning. Here, you won't just study words and phrases; you'll live the language through authentic cultural experiences, from singing traditional songs to playing games unique to each culture.

Live the Language, Live the Culture

With 14 language programs to choose from, Concordia Language Villages invites you to join the global conversation. Whether you're making dumplings at *Sēn Lín Hú*, our Chinese Language Village, paddling a canoe like a French *voyageur*, or celebrating *Midsommar* at *Sjölunden*, our Swedish Language Village, every moment is a chance to build fluency, make lifelong connections, and experience the world in a whole new way.

Scholarship Opportunities

Thanks to a generous fund established by Gary and Betty Zinter, scholarships are available for registered campers residing in Lake or Cook counties in Minnesota attending any one- or two-week youth program. These **North Shore Restricted Scholarship Funds** will be awarded and valued at an amount that, when combined with other sources of financial aid, will cover 90% of the cost of the one- or two-week camp session regardless of financial need. Those who received the North Shore Scholarship in the summer of 2025 are eligible for a \$977.50 scholarship on a one-week program or a \$1,981 scholarship for a two- or four-week session (70% of program cost). Additional need-based scholarship funding may be available depending on family income.

Our Passport Fund makes applying for scholarships easy — one application connects villagers to multiple funding sources. Complete your registration, submit your application, and let us help make your language learning journey a reality.

Qualifying Minnesota residents in grades 3-11 can also apply for Summer Academic Enrichment Program funds through Minnesota's Office of Higher Education.
