

Your Next Stage Could Be **CONCORDIA**

Scholarship opportunities for Trollwood participants

Concordia College and Trollwood Performing Arts School have partnered to support students who want to continue their artistic and academic journey. Eligible Trollwood participants can earn scholarship support up to **\$5,000 per year** for music or theatre — and you don't need to major in music or theatre to receive the award.

Students selected for a Trollwood scholarship automatically advance past the preliminary round of Concordia's competitive music scholarship process.
