

**Title:** Calling In Call-Out Culture

**Presenter:** Prashansha Maharjan and Kayla Zopfi

**Time(s):** 11:15am - 12:15pm **Location:** Old Main 302

**Session Format:** Small-Group Discussions

### **Session Learning Outcomes:**

1. Define and identify call-out culture

### **Session Description:**

In this session we will be analyzing and discussing the phenomenon of call-out culture.

Through the investigation of instances of call out culture ranging from celebrities being 'canceled' to examples we have seen at Concordia, examining alternative strategies of addressing bias and ignorance, and considering the range of both positives and negatives of this phenomenon, we hope to call in to question the best method in which we might create an environment where cultivating empathy, humility, and space to learn is at the top of our ever-growing to-do list.
