Greetings Class of 1975

Another Cobber graduation class completed their studies at Concordia and are on their way to great successes. Congratulations to all of them for a successful career at Concordia. As for these graduates, another year has passed for us. Many of us can also celebrate a successful year as we join the ranks of retirement. Congratulations to all of you as well.

A few things to keep you updated from the land of the Cobbers.

Campus Update:
- Summer 2018 was a busy one for Concordia Language Villages. We had over 4700 villagers and families from all over the world attend immersion programs at our Turtle River Lake sites just north of Bemidji and at other leased camps in northern Minnesota. This strong enrollment demonstrates the value families are placing on world language and culture education.

- Thanks to a generous gift of $5 million from the Simone Corporation and its CEO Kenny Park, we will soon begin the first phase of construction of Sup sogŭi Hosu, the Korean Language Village, on Turtle River Lake. The first Village to be built was Skogfjorden, the Norwegian Language Village, and that happened 50 years ago this summer. A special event to commemorate this milestone will be held on July 13. Sjölunden, the Swedish Language Village, celebrates its 45th summer with a midsommar event on August 3. International Days are July 5 and August 9 where we will also celebrate 50 years of offering four-week high school credit sessions.

Music:
- Dr. René Clausen announced that he will retire following the 2019-20 academic year, concluding his service as professor of music and conductor of The Concordia Choir. Clausen is a leader in choral music as both a conductor and a composer. He is the artistic director of the Concordia Christmas Concerts. In addition to composing arrangements and original pieces for Concordia ensembles, he has written dozens of commissioned compositions including “MEMORIAL” and “Crying for a Dream” for the American Choral Directors Association. Clausen was also commissioned by Concordia to create a major work in observance of the 500th anniversary of the Reformation. The work is titled “The Passion of Jesus Christ” and premiered at Orchestra Hall in 2017. President William Craft noted in an announcement to the Concordia community that throughout his work at the college Clausen has lived the mission of The Concordia Choir “to uphold a sacred choral tradition through the uncompromising and unrelenting collaborative pursuit of musical integrity and spiritual expression.”

Cobber Athletics:
- In the spring of 2018, Concordia had only one team – women’s basketball – with a female head coach. Fast forward one year, and with the hiring of new volleyball head coach Faith Dooley, the Cobbers now have 5 additional female head coaches mentoring student/athletes. Dooley, who was an All-American at the University of North Dakota, joins women’s golf head coach Kari Weidner-Ceniceros, Maureen Greiner of women’s hockey, Rebecca O’Shurak from women’s
soccer and NDSU All-American Laura Januszewski who coaches both the men’s and women’s cross country teams. The rise of female head coaches was recognized by University of Minnesota’s Tucker Center for Research on Girls and Women in Sport in their 2018-19 coaching report card that cited Concordia as the top college in the MIAC for the increase in female head coaches over the past year. ***As an added news flash. The Concordia Women’s Head Basketball Coach retired at the conclusion of this school year.

- Concordia men’s track and field junior Matt Bye, Moorhead, won the heptathlon at this winter’s MIAC Indoor Championship Meet and went on to finish 11th in the event at the NCAA National Indoor Meet held in Boston, Mass. Bye won the MIAC title with the second highest point total in school history.

- The Cobber men’s hockey team earned its seventh consecutive berth in the MIAC playoffs this season. Concordia finished conference play with nine league wins which was the most since the 2013 season. Sophomore forward Tyler Bossert, Fargo, led the MIAC in scoring and went on to earn All-American Second Team honors to become the ninth All-American in program history.

Other News:

- Concordia’s outstanding tradition of preparing students for medical school is now available to those who have completed an undergraduate degree. This intensive, 1year program is designed for highly motivated individuals with excellent academic records, who have earned a bachelor’s degree from an accredited four-year institution, but lack most or all of the prerequisite science courses needed for admission to medical school. Our program is ideal for career changers, and individuals deciding later in their academic journey, to pursue a career in medicine.

- The Center for Student Success has a new home in the Normandy. The beautifully renovated space is open and light making for an inviting space for students. The center includes academic support, Orientation and First-Year Transition Programming, the Peer Mentor program, and the Diversity Coordinator for Student Support Services. (Remember those Normandy nights!!!!!)

A dinner was held April 4 to celebrate the naming of Dr. Dan Biebighauser as holder of The Sigurd and Pauline Prestegaard Mundhjeld Endowed Chair of Mathematics. Biebighauser is a 2002 graduate of Concordia and joined the faculty in 2006. The holder of the Mundhjeld chair is to be a person who has provided exemplary service in teaching and scholarship in the field of mathematics and who is known and respected in the field. All of the past holders of the Mundhjeld Endowed Chair were present. Past holders include Dr. Bill Tomhave, Dr. James L. Forde, Dr. Alexander Sze and Dr. Gerald A. Heuer ’51.
