

Dear Classmates of 1981,

I hope this finds you enjoying the beauty of summer, wherever that may be! Today the breeze in Minnesota has just the hint of fall crispness that signals the imminent changing of seasons. Speaking of changing seasons, for many of us, the **big 6-0** has happened in the past year. I am embracing the number with thankfulness and joy in each day (although there are certainly gray hairs and some creaky joints)!

Thoughts of Cobbers are never far from my mind. Does this plant “say” corn to you? I spotted this beauty in Hackensack as we were visiting friends. Any science majors know the name of this plant? I think the college should plant them everywhere. Maybe they come in a maroon variety as well! Speaking of corn, make sure you check out the many corn feeds happening soon. They are a great way to connect with alumni of all ages.

Congratulations to our classmate Dr. Thomas Samuelson! He has been chosen as one of the 2019 Alumni Achievement Award Recipients.

Tom, a board-certified ophthalmologist, is a founding partner and attending surgeon at Minnesota Eye Consultants, P.A., Minneapolis. He’s also an adjunct professor at the University of Minnesota and on the faculty of Hennepin County Medical Center. He has received several awards and has been named to America’s Top Doctors each year since 2002. He has written numerous articles and given more than 600 presentations around the world.

I’m sure that some of you are enjoying retirement or perhaps venturing out in a new direction. Our classmate Kurt Jacobson is doing both!

After serving twenty-eight years with Trinity Lutheran Church, Eau Claire, Kurt has retired from pastoral ministry and become an Interpretive Consultant with Holy Cow! Consulting assessments. He provides evidence-based consulting services to congregations through his entity, Mustard Seed Consulting, LLC. He has served ELCA congregations in the Upper Midwest and Florida.

Here are some updates of the many things happening on campus:

Concordia Language Villages

-Summer 2018 was a busy one for Concordia Language Villages. We had over 4700 villagers and families from all over the world attend immersion programs at our Turtle River Lake sites just north of Bemidji and at other leased camps in northern Minnesota. This strong enrollment demonstrates the value families are placing on world language and culture education.

-Thanks to a generous gift of \$5 million from the Simone Corporation and its CEO Kenny Park, we will soon begin the first phase of construction of *Sup sogüi Hosu*, the Korean Language Village, on Turtle River Lake. The first Village to be built was *Skogfjorden*, the Norwegian Language Village, and that happened 50 years ago this summer. A special event to commemorate this milestone will be held on July 13. *Sjölunden* the Swedish Language Village, celebrates its 45th summer with a *midsommar* event on August 3. International Days are July 5 and August 9 where we will also celebrate 50 years of offering four-week high school credit sessions.

Cobber Athletics

- In the spring of 2018, Concordia had only one team – women’s basketball – with a female head coach. Fast forward one year, and with the hiring of new volleyball head coach Faith Dooley, the Cobbers now have 5 additional female head coaches mentoring student/athletes. Dooley, who was an All-American at the University of North Dakota, joins women’s golf head coach Kari Weidner-Ceniceros, Maureen Greiner of women’s hockey, Rebecca O’Shurak from women’s soccer and NDSU All-American Laura Januszewski who coaches both the men’s and women’s cross country teams. The rise of female head coaches was recognized by University of Minnesota’s Tucker Center for Research on Girls and Women in Sport in their 2018-19 coaching report card that cited Concordia as the top college in the MIAC for the increase in female head coaches over the past year.

- Concordia men’s track and field junior Matt Bye, Moorhead, won the heptathlon at this winter’s MIAC Indoor Championship Meet and went on to finish 11th in the event at the NCAA National Indoor Meet held in Boston, Mass. Bye won the MIAC title with the second highest point total in school history.

Concordia finished conference play with nine league wins which was the most since the 2013 season. It is so exciting to see the many ways that Concordia continues to grow! A couple of my former students are now Cobbers and it is wonderful to see Concordia through their eyes. One of the things my husband Steve ('82) and I do each year is contribute toward scholarships for current students. We want the Concordia experience to be as obtainable as possible for this generation of students. I encourage you to consider the possibility of a gift that will further the mission of the college as Concordia continues to "influence the affairs of the world by sending into society thoughtful and informed men and women dedicated to the Christian life."

Blessings to all of you!
