

Dear Cobber class of 2007,

Last fall was our 10 year anniversary from graduating! Does it feel like we were just freshmen throwing our beanies into the air after orientation? We are now in our 30s and I hope that we are all striving towards our goals and dreams. I hope your life is full of fun opportunities, challenging careers, kids, pets, good books, Netflix binging and great coffee or tea.

Great things have happened this past year and we hope you are connected to many Cobbers through social media. We are cheering each of you on to amazing success. Before we get into the class notes, we would like to say THANK YOU to Nate Crary for being our class agent! You are a blessing to our graduating year and we appreciate all of your hard work. We are excited for this fun opportunity and love hearing everyone's life changes!!

CAMPUS UPDATE – SUMMER 2018

CLV:

The summer of 2017 continued a three-year trend of strong enrollment with over 4,580 villagers and families attending a Concordia Language Villages' program. Registration for the summer of 2018 continues that upward trend in enrollment, demonstrating the value placed on world language and culture education.

Concordia Language Villages received the largest gift in its history from Simone Corporation and its CEO Kenny Park: \$5M to support the first phase of construction of the Korean Language Village on Turtle River Lake. The gift was given in celebration of 30 years of language and culture at Sup sogŭi Hosu, the Korean Language Village. Additionally, the Language Villages will recognize and celebrate 35 years of Sēn Lín Hú, the Chinese Language Village, with a special program prior to International Day on August 10.
