

CONCORDIA COLLEGE THEATRE

MOORHEAD, MINNESOTA

INDUSTRY-FOCUSED STUDENT WORK

Earn while you learn! Hands-on production work is at the heart of our department. Paid positions in front-of-house, graphic design, scenery, lighting, and costumes closely mirror early career experiences and position you to enter the theatre profession.

CONCORDIA THEATRE

Concordia Theatre produces four or five mainstage shows per season, plus multiple other student-directed works. Student actors, directors, designers, and technicians have significant opportunities to participate. More than 100 students from across campus come together each season to make our shows happen. On stage or backstage, theatre major or not, there is a place for you!
