Dear Friends and Family of Cobber Baseball,

We are off and running for the 2023-2024 season. We recently wrapped up fall ball and I couldn't be more excited for the upcoming season. We had a terrific fall season, practicing a total of 24 times and scrimmaging eight times. The newcomers to the program impressed from day one and the returners picked up right where they left off last spring. We have the talent and character to achieve and win at a high level, not only for this upcoming season but in future seasons as well.

As all of you know, we finished phase one of our baseball renovation project this past fall and have our eyes looking toward phase two. Phase one saw us install a brand-new scoreboard, new dugouts and backstop and a 160-seat grandstand. The press box is the final installment for phase one and will be finished prior to the start of the 2024 season. Phase two will ultimately turf the entire facility and allow for three youth games to be played simultaneously throughout the summer. With this project, our current institution's leadership, and the current talent on the roster, I truly believe there has never been a better time to be a Cobber baseball player.

Now, we are working as a team to raise funds for our baseball program to continue enhancing the experience for our current student-athletes and attract future Cobbers as well. We are asking for your help with our "Difference Maker" campaign. This campaign seeks friends and family of Cobber baseball who want to make a difference in the lives of our student-athletes. How the "Difference Maker" campaign works: each member of our Concordia baseball team is sending this letter to 10 family and friends he feels can "make a difference." We appreciate anything you can contribute financially. With even minor contributions we can accomplish a lot!

Please fill out the information below and return (no postage necessary) as soon as possible. If at this time you can't contribute, we certainly understand and thank you for your consideration.

Roll Cobbs!
