COLLEGE PLANNING PRESENTATIONS

MOORHEAD  MINNESOTA
**CONCORDIA
COLLEGE**

COLLEGE PRESENTATION OPPORTUNITIES

Our most popular presentations include:

Navigating the College Search Process

Information including the timeline, strategies, questions to ask, and other considerations for students and families as they think about selecting a college

Paying for College

Provides information to determine the true cost of colleges and universities under consideration, budgeting, and practical strategies and approaches families can take to cover the costs of higher education

Navigating the Financial Aid Process

Covers the financial aid application process, different types of aid available, and understanding and comparing financial aid award letters

Each presentation is specifically geared to assisting students and families — regardless of which kinds of institutions they are looking at (public, private, two-year or four-year). The sessions noted above are typically 20-30 minutes in length and can be combined or specialized to cover topics of interest.
