GIVE TO GROW COBBER ATHLETICS CHALLENGE

Cobber Nation,

This is an exciting time for Concordia! The college is growing and gaining momentum — we have higher enrollment, new and expanded academic programs, and flourishing athletic programs and resources.

Each year we challenge our athletes to give their best in an effort to learn and grow. And just like we challenge them, we're challenging you to **GIVE** so our athletics programs can **GROW**.

We are cultivating a culture of excellence and excitement and we are eager to include you in our collective momentum. Our goal is to provide the best possible experience for our student-athletes and we need your support! By joining our Give to Grow team, YOU will create the momentum to keep moving Cobber Athletics forward!

Thank you for your support and investing in our student-athletes.
