STUDENT ENGAGEMENT INFO SESSIONS

Planning Your Study Away Experience at Concordia | Jones C/D, KCC

This session will provide an overview of Concordia's study away programs, outlining semester, academic year, and short-term faculty-led options. Come and learn about the application process, timelines, types of programs available, and the support services offered to students.

Cobbers Conduct Research | Grant Center 114

In this session, you will learn about opportunities to conduct research during the academic year and in summers as an undergraduate student at Concordia. You will also learn about Concordia's annual research and creative scholarship symposium, which features Concordia student presenters.

Student Organizations and Leadership | Christiansen Recital Hall, Hvidsten

In this session, students can learn about the different areas of involvement and leadership opportunities across campus. From student government and campus events to starting your very own club, come explore student engagement at Concordia!

Internships and Practicums | Jones A/B, KCC

In this session, you will hear firsthand experiences about internships and practicums from current students across various programs. Learn how they secured opportunities, overcame challenges, and gained valuable skills to enhance their career readiness.
