Here's to You!

Like you, we care deeply about students and are committed to ensuring the promise of a Concordia education is accessible to all. Between now and June 12, to honor the new students joining us in August, we're proud to match the first gifts received for scholarships. **There's incredible momentum and energy on campus as we welcome larger classes, innovate, and respond to a changing world — preparing leaders who are ready to make a lasting impact in their communities and beyond.** Here's

to the college's future, our students, and all who support them. We are grateful to partner with you!

Have a great summer,

Col and Kelly
