At Concordia, the world is your classroom. Students are encouraged to study away — whether that’s through semester programs, weeklong trips, sports teams, music ensembles, or service trips — the world is waiting for you with open arms.

Many students take advantage of multiple opportunities! Become a responsibly engaged world citizen through your experiences.

“More than anything, I gained confidence. I learned that I could show up alone and still find connection, that I can be challenged and still find joy, and that even when things feel overwhelming — I can figure it out. I met some amazing people, made some lifelong memories, and deepened my sense of who I am and what I care about.”
