

Our young and talented Cobber Track & Field team won indoor and outdoor team championships last year. We do hope to defend the titles, but team culture is most important — hard work, embracing each other like family, and having a blast together!

Your support helps our large squad cover essentials — travel, gear, uniforms. This year, you will help fund a spring break training trip that will give us a jump on the outdoor season! Cobber Track & Field is thriving because people like you show up for the team. Please follow our teams. Join us at some meets. It means so much to the team. Plus, we'll host the 2027 MIAC Outdoor Track & Field Championships May 14-15 on our new track!

Marv Roeske, head coach

GIVE TO GROW

Greetings from Concordia!

Something special is happening in Cobber Athletics.

As another academic year begins, our student-athletes are back, and in every team, we're seeing growth — in the classroom, in competition, and in the development of young people who will make a difference long after their playing days are over.

That growth doesn't happen by accident. It happens because of people like you.

You are receiving this letter because one of our Concordia student-athletes personally selected you as someone who has made a difference in their life and they believe you might support Cobber Athletics.

Last year, during our Give to Grow Athletics Campaign, alumni, families, friends, and supporters raised more than **$260,000** — surpassing our goal and making a direct impact on the experience of our student-athletes. Your support helped our teams compete at a high level while continuing to foster leadership, character, and lifelong relationships.

This year, our theme is **Keep It Growing.** Growth means choosing every day to get a little better, to invest in people, and to create opportunities for the next generation of Cobbers.

We invite you to be part of that continued growth.

Our goal for this year's Give to Grow campaign is **$300,000.** Every gift — regardless of size — helps provide transformational opportunities for our student-athletes. Plus, you can direct your gift to the team, program, or area of Cobber Athletics that is most meaningful to you.

Together, we have built incredible momentum. Now, let's **Keep It Growing.**

Thank you for believing in our student-athletes, investing in their futures, and continuing to make Cobber Athletics a place where excellence, community, and purpose thrive. Thank you for being part of the Cobber family.

Roll Cobbs,

Rachel D. Bergeson
