

KEEP THE WORLD SPEAKING

You saw the magic. Help it continue.

Today, you're taking home more than a villager. You're taking home new stories, new words, new confidence, and memories that may last a lifetime.

For more than six decades, Concordia Language Villages has helped young people discover that the world is bigger, richer, and more connected than they imagined. If this experience has touched your family, we invite you to pay it forward.

Your gift to the **Keep the World Speaking** Campaign helps ensure that future villagers can discover the same joy, confidence, and global perspective that your child found here.

Because every child deserves the chance to find their voice in the world.

Give a gift by scanning the code or visit ConcordiaLanguageVillages.org/KTWSgiving
