
THE VISION FOR
COBBER ATHLETICS

OVERVIEW

"Cobber student-athletes embody Concordia's mission in motion — living out purpose, resilience, and community with every practice, game, and season. Their coaches mentor with heart and care deeply. Their teammates become lifelong friends. And long after the final competition, they carry the Cobber spirit into the world. This campaign invests in that journey — building and updating spaces that elevate performance, shape lives, and strengthen a community our student-athletes never truly leave."

— PRESIDENT COLIN IRVINE

"The plan for athletics facilities is more than a blueprint for buildings — it is a commitment to our student-athletes. Every space we create will elevate the student-athlete experience, provide a platform for athletic excellence, and reflect the pride we have in this Cobber community."

— RACHEL BERGESON '05
Athletic Director

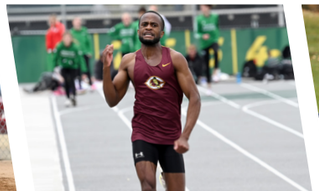

COMPLETED/IN PROGRESS PROJECTS

> "The difference this space has made for our student-athletes is hard to put into words. It's allowed them to **train with confidence,** stay healthy, and strive for excellence — right here at home."
>
> **Marv Roeske**
> Head Coach, Women's Track and Field

TRACK & TURF

GOLF PERFORMANCE CENTER

MEMORIAL AUDITORIUM

MEMORIAL AUDITORIUM

“ Memorial has always been more than a gym. It’s where

leaders are shaped

and memories are made. This project builds on that legacy and transforms the student-athlete experience.

Kim Wagers
Head Coach, Women’s Basketball;
Senior Woman Administrator

SOCCER & SOFTBALL COMPLEX

SOCCER

SOFTBALL

"This project will provide our student-athletes with the opportunity to train and play on a

state-of-the-art field,

enhancing the quality of practices and competitions throughout the entire season. Turf playing surfaces will be a huge asset for these programs."

Jim Cella
Sports Information Director

BASEBALL: PHASE II

"We have laid the foundation, and now it is time to

complete the vision.

Phase 2 will transform Bucky Burgau Field into a first-class facility that reflects the pride, tradition, and future of Cobber baseball."

Anthony Renz
Head Coach, Baseball

OLSON FORUM

COBBER PERFORMANCE CENTER

WEIGHT ROOM & ATHLETIC TRAINING

> “At Concordia, tradition matters — but so does progress. This facility reflects a bold vision to give our student-athletes the tools they need to thrive, compete, and grow — together.”

Terry Horan
Head Coach, Football

HOME OF COBBER HOCKEY

> “This project is about more than ice time — it’s about deepening our roots in the **Moorhead community** and giving our players a true home. It’s a bold step forward for Cobber hockey and our place in Minnesota’s hockey tradition.”
>
> **Jason Gregoire**
> Head Coach, Women’s Hockey

Indoor Training Facility

Women’s Flag Football

Clay Target

Basketball Locker Room

LOOKING AHEAD: A **BOLD VISION** FOR COBBER ATHLETICS

The future of Cobber Athletics is not defined by the teams we add, but by the impact we create.

Led by a forward-thinking president and athletic director, Concordia is embracing a bold vision for what athletics can mean to the student experience and our future. Recent additions such as women’s flag football and clay target harnessed the power of strategic growth, attracting new students and expanding opportunities for engagement.

As we look ahead, Cobber Athletics has the opportunity to think bigger. Emerging sports, enhanced training and competition venues, expanded recreation spaces, and transformative facility investments can position Concordia at the forefront of the MIAC and create an unrivaled student-athlete experience.

These investments are about developing young leaders.

Every practice, competition, and team experience offers students lessons in resilience, discipline, collaboration, and service. The facilities we build and the experiences we create become places where character is formed, confidence is built, and leadership takes shape. They serve as extensions of our mission to **prepare students to influence the affairs of the world as thoughtful and informed citizens dedicated to the Christian life.**

To realize this vision, we must continue investing in the spaces that allow our students to thrive. We have the chance to create a lasting legacy that elevates Cobber Athletics, advances Concordia’s mission, and empowers generations of students to discover their potential and lead lives of purpose.

The future of Cobber Athletics has never been brighter.
