

We're here to support your next step!

Spend a year gaining clarity with help from Concordia.

What is the Concordia Bridge Year?

Concordia alumni may return for one academic year (fall and spring semesters) and take up to 16 credits of coursework, with a maximum of 12 credits per semester. Students will work with the Career Center to explore career-related experiences that support their goals.

Start Your Application Today!

What are the benefits? Through the program, students can:

- Gain additional academic preparation for career or graduate school goals
- Build professional experience through internship exploration or other career-related opportunities
- Strengthen their resume, application materials, and interview skills
- Explore career paths with guidance and support
- Develop clarity around vocation, purpose, and next steps
- Stay connected to the Concordia community while preparing for life after college
- Invest in their future
