LEARN ARABIC at *Al-Wāḥa* الواحة

Arabic is one of the world's most widely spoken languages and has deep global roots in astronomy, mathematics, medicine, art, and philosophy — and even the English language.

At *Al-Wāḥa* الواحة, you won't just study Arabic, you'll live it. Play *kūrat al-qadam* (soccer), paddle a *markab* (canoe) on the *buḥayra* (lake), and enjoy traditional foods like *shawarma* (spit- cooked meats), *falāfel* (deep-fried chickpea fritters) and *baqlāwa* (sweet, flaky pastry).

Whether you're a complete beginner or advanced learner, you'll build real language skills, cultural confidence, and friendships in a memorable summer camp experience.

Plus, it's a unique opportunity you can choose to earn high school credit in Arabic.
