# Catering by Concordia

## A TRADITION OF EXCELLENCE

Catering by Concordia combines the talents of our culinary and catering teams to meet a high standard of excellence set by decades of experience. We look forward to serving you.

### Special Diets

It is exceptionally important to us to create a safe environment for everyone who dines with us, especially those with allergies or special diets. We have a registered dietitian on staff that reviews all allergy and special diet requests and will accommodate any special dietary needs for main course meals at no additional cost.

### Services

This menu is priced to include buffet-style service which includes paper plates, plastic cutlery and napkins. Our staff will set-up the food station, keep it stocked while guests serve themselves and clean up the food station at the end of the event. A 15 percent service charge is applied to all orders. The service charge is waived for on campus departments.

Additional serving options include:

China limited service upgrade 3.00per person

China full service upgrade 6.00 per person

Bamboo upgrade 2.00 per person

### Timelines

To ensure the highest quality service, we ask you contact Catering by Concordia at four weeks prior to your event. Final guest counts are required at noon at least four business days before an event. Any guest increases within four business days will result in a \$25 fee plus the cost of additional meals.

Minimum guest count for an on campus event is 15 to 30. Takeout and off campus events require 30 guests when using disposables and 50 guests when using china and a \$400.00 minimum with additional 10 % delivery fee and 18% service charge.

### Payments

All events must have a secured payment before they occur. Non-Concordia affiliated groups are required to make a booking payment of 25 percent at the time the event is booked, 50 percent 30 days prior to the event and the final balance is due on the day prior to the event.
