

Hello from Concordia, !

We're just one week out from next Thursday's [Giving Day](#). Generations of Cobber alumni, parents, faculty, staff, and friends will UNITE on behalf of our current and future students. **You can help kickstart the day by making your [gift early](#).**

Bonus: With your gift, you can name a space on campus for the week! Check out the video below for naming inspiration. **We hope you join in the fun and can imagine how powerful it will be for students to see how many people care about them and their success!**

We hope you'll join in this inspiring campaign to help make a Concordia education possible for students!
