CAMPUS UPDATES

President Craft to Retire

President Craft announced his upcoming retirement at the end of his second presidential term, on June 30, 2023. The Board of Regents has already started seeking Concordia's next president with a presidential search committee and national consulting firm.

New Executive Director for Faith and Learning

Dr. Michael Chan will be welcomed in June 2022 as the new Executive Director for Faith and Learning. He will direct the Lorentzen and Dovre Centers, guide Concordia's interfaith relationships, and oversee the work of Campus Ministry.

Learn. Work. Lead.

A Concordia College education is rooted in college's deep commitment to providing a transformational experience for every one of our students. Development has continued on our academic framework through **Three Schools, One College:**

- Sanford Heimarck School of Health Professions
- Offutt School of Business
- School of Arts and Sciences

Concordia will begin renovation in the summer of 2022 on the Sanford Clinic building adjacent to campus to provide expanded laboratory, classroom, and centralized office space for its freshly named Sanford Heimarck School of Health Professions. The project will include a nursing simulation lab and a human performance lab. It will be a remarkable advancement to the program.

Dr. Gwen Wagstrom Halaas '75 named new dean of Sanford Heimarck School of Health Professions

Dr. Halaas brings more than four decades of research, teaching, program development and administrative experience to Concordia.

She grew up in the Fargo-Moorhead area and is a 1975 graduate of Concordia. Dr. Halaas will assume the role on July 1, 2022.

Advancing the Mission | Cobber Ambassador Program

A new initiative was officially launched to invigorate the unique network and relationships among alumni, friends, and students of Concordia College. Giving Update

We can pay forward the generous scholarships we received as students by supporting this new generation of Cobbers.

Together, we help ensure that a Concordia education is possible for every student.

In 2021, more than 5,000 people came together to raise **\$2.6+ million** for The Cobber Fund, which helps provide scholarships for students, and we have to say, this new generation of students.

THANK YOU TO THE MEMBERS OF OUR CLASS THAT HAVE PARTICIPATED IN GIVING!

The class of 1949 can truly make a difference in the lives of current students.

Greetings to all Classmates of 1951,

In my opinion, every one of us in our special class have reached the age where brevity in any form is an acceptable choice.

Appreciation for our time spent at Concordia College has been enduring and significant for many. The homecomings of 5-year increments have offered opportunities to see campus changes such as new buildings appearing from time to time, to cheer at football games, to hear outstanding music and most of all- to connect with each other. So much of what made our campus life really memorable comes back into focus and exists to a great degree in the student bodies ever since.

The theme of Homecoming 2021 was “a century together-Stronger than ever-100 years of Homecoming.” This made our year of 70 the oldest, or one of the oldest. For a number of days prior to October last fall, I was the sole registrant for our class. However, to my great pleasure, one call came in and it was friend Hans Wake from Willmar. We have known each other since high school days as we attended Park River Bible Camp before time at Concordia. Hans was from Osmabrook and I from Park River. Such a delight to catch up with his life and meet his very lovely wife as well at Friday evening banquet and Golden Cobber’s breakfast. A wonderful memory.

These years of working with various alumni office staff members has been a treasured, uplifting experience. I am grateful to have had the privilege.

May God be with you in this final stage of our lives.
