CLASS OF 1969

CONCORDIA COLLEGE

## CAMPUS UPDATES

### President Craft to Retire

President Craft announced his upcoming retirement at the end of his second presidential term, on June 30, 2023. The Board of Regents has already started seeking Concordia's next president with a presidential search committee and national consulting firm.

### New Executive Director for Faith and Learning

Dr. Michael Chan will be welcomed in June 2022 as the new Executive Director for Faith and Learning. He will direct the Lorentzsen and Dovre Centers, guide Concordia's interfaith relationships, and oversee the work of Campus Ministry.

### Learn. Work. Lead.

A Concordia College education is rooted in college's deep commitment to providing a transformational experience for every one of our students. Development has continued on our academic framework through **Three Schools, One College**:

- Sanford Heimarck School of Health Professions
- Offutt School of Business
- School of Arts and Sciences

Concordia will begin renovation in the summer of 2022 on the Sanford Clinic building adjacent to campus to provide expanded laboratory, classroom, and centralized office space for its freshly named Sanford Heimarck School of Health Professions. The project will include a nursing simulation lab and a human performance lab. It will be a remarkable advancement to the program.

## Dr. Gwen Wagstrom Halaas '75 named new dean of Sanford Heimarck School of Health Professions

Dr. Halaas brings more than four decades of research, teaching, program development and administrative experience to Concordia.

She grew up in the Fargo-Moorhead area and is a 1975 graduate of Concordia. Dr. Halaas will assume the role on July 1, 2022.

## Advancing the Mission | Cobber Ambassador Program

A new initiative was officially launched to invigorate the unique network and relationships among alumni, friends, and students of Concordia College. Cobber Ambassadors are people who care about the students and mission, believe in the college, and help spread the word about Concordia's life-changing education.

Learn more or sign up to become an Ambassador at [ConcordiaCollege.edu/alumni/cobber-ambassador-program](https://ConcordiaCollege.edu/alumni/cobber-ambassador-program)

## COVID Response/Planning

We continue to monitor guidance from the Minnesota Department of Health and the CDC to keep our campus as healthy as possible amid the ongoing COVID-19 pandemic. Students, faculty, and staff are updated regularly and encouraged to engage in risk-reducing practices to prioritize in-person learning and working through the academic year.

## Around Campus

- Renovation was completed in Christiansen Recital Hall to provide a higher quality and more modern experience for students and guests
- A gas firepit was installed near the 8th Street entrance of the Knutson Campus Center
- An Indoor Performance Center for golf was added in Olson Forum using the latest simulator technology to provide year-round training for the men's and women's golf programs
- Olson Forum's workout balcony will be expanded this summer

## Concordia Recognized for Women in Coaching

The University of Minnesota's Tucker Center for Research on Girls & Women in Sport gave Concordia an "A" grade on its 2020-21 report card. The college was highlighted for having female head coaches for 70% of its women's sports. Concordia was the only MIAC school to receive an "A" grade in the report. Compliments to Athletic Director Rachel Bergeson for her leadership.

## Homecoming

100 Years of Homecoming was celebrated in October 2021. The college was happy to successfully welcome back over 700 alumni and friends to partake in this strong Cobber tradition.

We look forward to celebrating with YOU **October 7-9, 2022!**

### Corn Feed Season is around the corner!

We will continue the tradition of hosting corn feeds in the summer and hope to see you!

## Giving Update

We can pay forward the generous scholarships we received as students by supporting this new generation of Cobbers. Together, we help ensure that a Concordia education is possible for every student.

**cobbersgive**

In 2021, more than 5,000 people came together to raise **\$2.6+ million** for The Cobber Fund, which helps provide scholarships for students, and we have to say, this new generation of students.

**THANK YOU TO THE MEMBERS OF OUR CLASS THAT HAVE PARTICIPATED IN GIVING!**

Be on the lookout for the Cobbers Give campaign **March 7-18**; a generous alum will add an additional \$100 to each of our gifts to The Cobber Fund. The class of 1969 can truly make a difference in the lives of current students.

## Class Member Updates

### Greetings Class of 1969

Your class is currently without a class agent and we'd love help finding one! Class agents aim to keep classmates connected to each other and the college. To accomplish this, agents write the annual class letter, forward any stories and updates received from classmates to the alumni office, assist in special events and activities, and work with the reunion planning committee during their reunion years. If you are curious about the details please contact Karen Carlson at [carlsonk@cord.edu](mailto:carlsonk@cord.edu)

**Paulette Callen:** In the first year of Covid, during which our Aberdeen Community Theatre was mostly dark...I didn't do much (the theatre is my main activity) but try to stay safe and figure out how to wear a mask without fogging my glasses (that took about a year!). After vaccinations appeared, the theatre opened again with a one-woman show..."Erma Bombeck At Wit's End"...and cast me. I got through it...36 pages of words, an hour and a half on stage with only me. It was sometimes terrifying, always challenging. This photo (right) is of me as Erma, dancing with a vacuum cleaner. (Those little black flats nearly killed my feet.) I am still privileged to share my life with Bodhi, my little rescue pup, and still, via Zoom, can participate in my writers workshop. We've been together nearly 4 decades, all of us published (in various places at various times) authors. I am enjoying my retirement!

**Jerrett Hansen:** Live with my wife, Laura Ingersol, in Baltimore, MD. We have two children, Jessica (1972) and Stephanie (1980). I've retired after 42 years in varied ministry roles in the ELCA. We enjoy spending time with family, traveling when possible and splitting our time between Baltimore and our summer home on the coast of Maine.

**Brenda Smith:** My husband, Don, and I made the move to a 55+ community called Trilogy at Vistancia in Peoria, AZ.

**We Remember those who passed away.**
