CONCORDIA COLLEGE

CAMPUS UPDATES

President Craft to Retire

President Craft announced his upcoming retirement at the end of his second presidential term, on June 30, 2023. The Board of Regents has already started seeking Concordia's next president with a presidential search committee and national consulting firm.

New Executive Director for Faith and Learning

Dr. Michael Chan will be welcomed in June 2022 as the new Executive Director for Faith and Learning. He will direct the Lorentzsen and Dovre Centers, guide Concordia's interfaith relationships, and oversee the work of Campus Ministry.

Learn. Work. Lead.

A Concordia College education is rooted in college's deep commitment to providing a transformational experience for every one of our students. Development has continued on our academic framework through **Three Schools, One College**:

- Sanford Heimarck School of Health Professions
- Offutt School of Business
- School of Arts and Sciences

Concordia will begin renovation in the summer of 2022 on the Sanford Clinic building adjacent to campus to provide expanded laboratory, classroom, and centralized office space for its freshly named Sanford Heimarck School of Health Professions. The project will include a nursing simulation lab and a human performance lab. It will be a remarkable advancement to the program.

Dr. Gwen Wagstrom Halaas '75 named new dean of Sanford Heimarck School of Health Professions

Dr. Halaas brings more than four decades of research, teaching, program development and administrative experience to Concordia.

She grew up in the Fargo-Moorhead area and is a 1975 graduate of Concordia. Dr. Halaas will assume the role on July 1, 2022.

Advancing the Mission | Cobber Ambassador Program

A new initiative was officially launched to invigorate the unique network and relationships among alumni, friends, and students of Concordia College. Cobber Ambassadors are people who care about the students and mission, believe in the college, and help spread the word about Concordia's life-changing education.

COVID Response/Planning

We continue to monitor guidance from the Minnesota Department of Health and the CDC to keep our campus as healthy as possible amid the ongoing COVID-19 pandemic. Students, faculty, and staff are updated regularly and encouraged to engage in risk-reducing practices to prioritize in-person learning and working through the academic year.

Around Campus

- Renovation was completed in Christiansen Recital Hall to provide a higher quality and more modern experience for students and guests
- A gas firepit was installed near the 8th Street entrance of the Knutson Campus Center
- An Indoor Performance Center for golf was added in Olson Forum using the latest simulator technology to provide year-round training for the men's and women's golf programs
- Olson Forum's workout balcony will be expanded this summer

Concordia Recognized for Women in Coaching

The University of Minnesota's Tucker Center for Research on Girls & Women in Sport gave Concordia an "A" grade on its 2020-21 report card. The college was highlighted for having female head coaches for 70% of its women's sports. Concordia was the only MIAC school to receive an "A" grade in the report. Compliments to Athletic Director Rachel Bergeson for her leadership.

Giving Update

We can pay forward the generous scholarships we received as students by supporting this new generation of Cobbers. Together, we help ensure that a Concordia education is possible for every student.

cobbersgive

In 2021, more than 5,000 people came together to raise **\$2.6+ million** for The Cobber Fund, which helps provide scholarships for students, and we have to say, this new generation of students.

THANK YOU TO THE MEMBERS OF OUR CLASS THAT HAVE PARTICIPATED IN GIVING!

Be on the lookout for the Cobbers Give campaign **March 7-18**; a generous alum will add an additional \$100 to each of our gifts to The Cobber Fund. The class of 1985 can truly make a difference in the lives of current students.

Class Member Updates

Greetings Class of 1985

Your class is currently without a class agent and we'd love help finding one! Class agents aim to keep classmates connected to each other and the college. To accomplish this, agents write the annual class letter, forward any stories and updates received from classmates to the alumni office, assist in special events and activities, and work with the reunion planning committee during their reunion years. If you are curious about the details please contact Karen Carlson at carlsonk@cord.edu

The updates we received

Todd Schierkolk: My wife, Barb, and I recently celebrated our 25th year as missionaries in Mexico.

Penny Rafferty: Jim and I and the children all live in Savannah GA. Jim and I moved to Savannah in 2011 from Bakersfield California. Jim works as a Sales Manager for Old Town Trolley and has been employed by them for the last 10 years. I own Penny Rafferty Realty and sell residential real estate in both Savannah, GA and in Hilton Head, SC. I am involved in many volunteer endeavors and sit on a few non-profit boards, including CASA, Junior League of Savannah, and the Savannah Board of Realtors to name a few.

Daughter, Katie is a server at Ruth's Chris Steak House and son, Ryan works at the GA Ports. We are thankfully all fully employed and healthy. In the 3rd and 4th quarter of 2020 Jim and I purchased and updated a condo on Edisto Island on the South Carolina Coast. We use it both as a vacation rental and a personal getaway. Jim is a Carolina Fan and we have season tickets to the South Carolina Gamecocks Football Season. We are transitioning to South Carolina and the move will be complete in June of 2022, when our new home is built in Margaritaville.

Lisa (Sweeter) Donelson: I live in the Fargo area with my husband, Tom. I have self-published two devotional books. "Signs of Encouragement, 100 Signs for Your Journey of Faith" and "Signs of Encouragement 2." They are both 100 day devotionals based on roadside signs. Both available on Amazon, search my name, Lisa Donelson to find them quickly. Also available as Kindle versions. It took some time and persistence, but I was able to get the both in print.

Rochelle Melander: My debut middle grade book, *Mightier Than the Sword: Rebels, Reformers, and Revolutionaries Who Changed the World through Writing* was released from Beaming Books on July 27, 2021. *Mightier Than the Sword* is a middle grade social justice book pairing life changing writing exercises with the stories of a diverse group of people who changed lives and communities throughout history. It is a 2021 CYBILS AWARDS Finalist for Middle Grade Nonfiction.
