CONCORDIA COLLEGE

CAMPUS UPDATES

President Craft to Retire

President Craft announced his upcoming retirement at the end of his second presidential term, on June 30, 2023. The Board of Regents has already started seeking Concordia's next president with a presidential search committee and national consulting firm.

New Executive Director for Faith and Learning

Dr. Michael Chan will be welcomed in June 2022 as the new Executive Director for Faith and Learning. He will direct the Lorentzen and Dovre Centers, guide Concordia's interfaith relationships, and oversee the work of Campus Ministry.

Learn. Work. Lead.

A Concordia College education is rooted in college's deep commitment to providing a transformational experience for every one of our students. Development has continued on our academic framework through **Three Schools, One College:**

- Sanford Heimarck School of Health Professions
- Offutt School of Business
- School of Arts and Sciences

Concordia will begin renovation in the summer of 2022 on the Sanford Clinic building adjacent to campus to provide expanded laboratory, classroom, and centralized office space for its freshly named Sanford Heimarck School of Health Professions. The project will include a nursing simulation lab and a human performance lab. It will be a remarkable advancement to the program.

Dr. Gwen Wagstrom Halaas '75 named new dean of Sanford Heimarck School of Health Professions

Dr. Halaas brings more than four decades of research, teaching, program development and administrative experience to Concordia.

She grew up in the Fargo-Moorhead area and is a 1975 graduate of Concordia. Dr. Halaas will assume the role on July 1, 2022.

Advancing the Mission | Cobber Ambassador Program

A new initiative was officially launched to invigorate the unique network and relationships among alumni, friends, and students of Concordia College. Cobber Ambassadors are people who care about the students and mission, believe in the college, and help spread the word about Concordia's life-changing education.

COVID Response/Planning

We continue to monitor guidance from the Minnesota Department of Health and the CDC to keep our campus as healthy as possible amid the ongoing COVID-19 pandemic. Students, faculty, and staff are updated regularly and encouraged to engage in risk-reducing practices to prioritize in-person learning and working through the academic year.

Around Campus

- Renovation was completed in Christiansen Recital Hall to provide a higher quality and more modern experience for students and guests
- A gas firepit was installed near the 8th Street entrance of the Knutson Campus Center
- An Indoor Performance Center for golf was added in Olson Forum using the latest simulator technology to provide year-round training for the men's and women's golf programs
- Olson Forum's workout balcony will be expanded this summer

Concordia Recognized for Women in Coaching

The University of Minnesota's Tucker Center for Research on Girls & Women in Sport gave Concordia an "A" grade on its 2020-21 report card. The college was highlighted for having female head coaches for 70% of its women's sports. Concordia was the only MIAC school to receive an "A" grade in the report. Compliments to Athletic Director Rachel Bergeson for her leadership.

Hello Class of 2004!

Your class is currently without a class agent. Class agents aim to keep classmates connected to each other and the college. To accomplish this, agents write the annual class letter, forward stories and updates of classmates to the alumni office, assist in special events and activities, and work with the reunion planning committee during their reunion years. If you are interested in learning more about volunteering as your class agent please contact Karen Carlson in the Alumni Office at carlsonk@cord.edu or 218.299.3734

Updates from Classmates

Angie Ryan

In December 2021, I accepted the Vice President of Marketing role at Bushel. I am loving this new role leading the marketing efforts at a growing fast-paced AgTech company. I am fortunate to get to work with a fellow Cobber alumna, Camille Grade (Weber), the CMO at Bushel. My family recently took a trip to Disney World which was my 6 year-old daughter's first time. It was so magical experiencing Disney through her eyes. We also adopted a puppy, Michelangelo (Milo) a few weeks ago which is keeping us on our toes! His older fur brothers (Golden Retriever & Australian Shepard) are getting used to a new pup in the house. Hope everyone is doing well!

Andrea Sorum

We live just off East Lake St. in Minneapolis and enjoy walks by the river. I'm working as the Campus Ministry musician at Augsburg University. I also teach piano and freelance in the Twin Cities and have two children William (2010) and Wesley (2012).

Nate Ohme

He lives in Bloomington, MN with wife Sarah, and has 3 children Brooks (2010), Bennett (2012) and Paige (2014).

Kristi (Youdas) Raadt

I haven't updated in soooo long!!!

I live in beautiful Winona, MN with my husband Kyle (a NDSU grad) and 3 children (11, 9, 6). I divide my time between keeping up with their crazy schedules and working part time as a Physical Therapist in an outpatient clinic.

**Renee (Splichal) Larson**

In October, 2019, we moved to Sioux Falls, SD, where I began as Associate to the Bishop in the SD Synod, ELCA. My husband, Jon, has been serving as an interim pastor at Augustana Lutheran in Sioux Falls, as well as at Augustana University as a campus pastor. Our son, Gabriel, is a first grader in a dual immersion program, spending half his day learning in English and half in Spanish. He is an incredibly busy, active, and thoughtful boy, loving books and anything sports related (especially football and simply running). Elias is in preschool and also loves books, music, and sports (especially soccer). He has a feisty spirit and is a sweetie pie. Jon's sister, Liz, lives with us. She earned her MSW degree and began as a Federal Probation Officer in Sioux Falls. In 2021 we've spent a lot of time outdoors: sledding in the winter, hiking in the spring and fall, and lake life in the summer. We are grateful and hope for a world with less suffering in 2022.

Abbi Telander

Started a new job as Advancement Communications Coordinator at Washington University in St. Louis in July 2021. Live in Missouri with husband Mike and have one child Erin (2011).

Rachel (Nieuwsma) Merrill

I live in New Hampshire with husband, Lorin, and have one child, Sankara Oumarou-Hamidou (2008). I published a book in 2021! "I Sang Anyway: A Stepmom's Spiritual Memoir of Healing." available on Amazon, Bookshop, BAM!, Barnes & Noble, and other online book retailers.
