HEALTH AND WELLNESS TEAM

AT CONCORDIA LANGUAGE VILLAGES | BEMIDJI, MINNESOTA

PROVIDER (LPN, RN, NP, MD)

Under the direction of the director of health and wellness, camp nurses and physicians provide care to staff and villagers in a dynamic, multicultural immersion environment.

WHEN: 1-10 week positions available, June through August

WHERE: Bemidji, Minnesota

- Collaborate with village staff to meet the healthcare needs of staff and villagers.
- Use an electronic medical records system to maintain accurate health records.
- Supervise and mentor health interns, fostering their clinical growth.

CROSS-CULTURAL HEALTH INTERN

Expand your clinical expertise, enhance your cultural competency, and make a difference in youth health care by becoming a cross-cultural health intern. Interns work under the supervision of the director of health and wellness, village providers, and deans to provide care to villagers and staff in a dynamic multicultural immersion environment.

WHEN: Two 5-6 week sessions, June-July or July-August. Full summer positions are also available.

WHERE: Bemidji, Minnesota

- Practice medication management, first aid, triage, and mental health support.
- Manage daily healthcare needs and coordinate off-site care for youth.
- Build documentation expertise and navigate electronic medical records systems.
- Deepen your understanding of culturally competent healthcare.
- Earn certifications in wilderness first aid, CPR/first aid, and lifeguarding.
- Complete two projects focused on cross-cultural health topics.
