Hello <<First Name>>,

Thank you so much for attending our inaugural CLV Leadership Circle event earlier this month! We enjoyed being able to update you on what has been happening at CLV and hearing your questions. I am following up today with a few resources that were highlighted during the event.

We were asked multiple times what the area of greatest need was. Below is a list of the three areas we're focused on this year with links to information on how to give.

- It Takes a Village
- Passport Scholarship Fund
- Maintenance, Restoration, and Renewal – To give to Maintenance, Restoration, and Renewal please go to the link and select "CLV Current Site Maintenance and Restoration" from the drop down box.

Additionally, we discussed the CLV Community Action Network. This is a volunteer group of parents, alumni, staff, teachers, adult participants, and friends of CLV who would like to advocate for CLV in their local communities. If you are interested in learning more about or joining the CAN, you can find more information here.

Thank you again for your generous support of CLV! Your support makes it possible for us to provide transformative experiences for people attending the villages all year long.

With gratitude,

Grete Oanes
Advancement Specialist
