

# VILLAGE WEEKENDS at CLV

LIVE THE LANGUAGE LIVE THE CULTURE

## CHINESE | FRENCH | GERMAN | SPANISH

Village Weekends are programs designed for school groups to experience language and cultural immersion outside of the classroom. Single day, three-day, and four-day programs are offered throughout the academic year as day camps for students in grades K-12 or overnight trips for those in grades 6-12.

**Day trip programs** are designed to engage and motivate learners in a celebratory theme to help reinforce social studies concepts, while **overnight programs** highlight an overview of the culture, appropriate for both language learners and social studies students.

Concordia Language Villages is excited to be a part of your school's language and cultural learning journey.

- Expand your curriculum beyond the classroom
- Available for grades K-12
- Ignite enthusiasm for language learning
- Make memories that last a lifetime
