Hei <<First Name>>,

As we get closer to the holiday season, I've been thinking about all the wonderful groups we've had at the [Nordic Holiday Workshop](#) over the past few years. Whether you were with us recently or a little farther back, I hope your memories of baking, crafting, singing, and sharing cozy moments in the North Woods still bring a smile.

I'm reaching out because [we would truly love to welcome you back this year](#), and we still have a few spots open before registration closes on **November 21**.

A little peek at what we're planning:

- **Nine brand-new recipes we've never made before** — I'm finalizing them now and they're a delicious mix of classic Nordic flavors and fun modern interpretations. You'll head home with a whole new lineup of holiday treats.
- **A new craft inspired by the Northern Lights** — The aurora has been especially bright in Minnesota this year, so we're celebrating that magic with a special craft that captures the glow and wonder of the lights. And who knows... maybe we'll get lucky and spot

- **The traditions you love** — Cozy cabins, hands-on baking sessions, hearty meals, holiday songs, and time spent with a community that makes the season feel extra special.
- **Shop the World** — Our international holiday shop will be open again so you can pick up unique gifts from around the globe.

If you've been thinking about coming back, or if you just need an excuse to slow down, reconnect, and soak up some seasonal joy, I'd be absolutely delighted to see you again.

You can save your spot with a simple \$50 deposit:

Take good care, and I hope our paths cross again this December.

Varme hilsener
(Warm greetings),
Dina
