Savor the Summer!

Join Our Culinary Arts Team at Concordia Language Villages

Hi <first name>,

Since 1961, Concordia Language Villages has been the premier language and culture immersion program in the country. We hire people just like you to work in our village kitchens near Bemidji, Minnesota, preparing culturally appropriate cuisine.

A significant part of the Language Villages' immersion experience is the food. Breakfast, lunch, and dinner are served as they would be in the various countries we emulate. At *Lac du Bois*, villagers wake up to *chocolat chaud* and baguette; at *Waldsee*, spoons dip into *muesli*, and at *Mori no Ike*, plates feature baked salmon and *miso* soup.

Here are the positions we are currently recruiting for:
