Greetings!

You may recall being invited to write a note to your legislator earlier this school year in support of the Minnesota State Grant Program, which is need-based financial aid that goes directly to students like you. We're excited to share another way to get involved this semester!

On March 10, 2026, Concordia students and staff will join hundreds of other advocates for the **Day at the Capitol** — a powerful day of advocacy training, skill-building, meeting with legislators, and networking in St. Paul.

Training will be provided by our colleagues from the Minnesota Private College Council on several occasions ahead of traveling to St. Paul for Day at the Capitol. **Transportation and meals are also provided.**

**[Registration is required and open now — the deadline to register is Feb. 24!](#)**

If you have any questions at all, please reach out and we're happy to help. We hope you'll join us for this important and fun event!

Warm regards,  
Chad

**Chad Lystad, M.S.**
