

Director's Note

Welcome to Concordia College's **Master of Education program with a Concentration in Health and Physical Education!**

I'm Dr. Kristen M. Ford, and I have the privilege of serving as program director. As someone who is deeply passionate about health and physical education, I am thrilled to share a program that is designed to meet the needs of today's educators and future professionals.

This 100% online program offers flexibility and choice through three distinct tracks:

- 1. Master's Degree**
- 2. Master's Degree plus Licensure**
- 3. Non-Degree Seeking Student**

No matter which track you choose, you'll find courses grounded in current, best—and better—practices in our field. Our faculty are committed to delivering engaging, relevant instruction, and our courses are intentionally scheduled with working professionals in mind.

Thank you for your interest in Concordia College and in advancing your journey as an educator. We would love to connect with you and answer any questions you may have as you consider your next steps.

Kindly,

Dr. Kristen M. Ford
