

Warm Greetings from Concordia, Tamara!

**Giving Hearts Day is Thursday, Feb. 12** — one of the longest-running and most successful giving days in the country!

**Did you know 100% of Cobbers receive scholarships?** It's true and it's remarkable. And it is all made possible when people like you invest in student scholarships. **Gifts received on or before Thursday, Feb. 12 will be matched by an anonymous donor up to \$50,000.** Your gift will ensure Cobbers can experience all the opportunities campus has to offer while carrying less of a financial burden.

**When you give, you help students like Elisabeth.** In her first year on campus, she is thriving in the classroom and serving as the student manager of her choir. Elisabeth already feels the impact of this generous community.

I hope you join me in supporting students like Elisabeth! For the last two years, Concordia has had the largest consecutive incoming classes since 2018. **As enrollment continues to grow, so does the need for scholarships.** Giving Hearts Day is the perfect time to invest in our students and their education. Will you renew your support for Cobbers?

Thank you for believing in the impact of Cobbers and the legacy of this special place.

GIVE TODAY

Wishing you all the best,
