LEARN FRENCH at *Lac du Bois*

Since 1962, villagers at *Lac du Bois* have experienced the grand simulation of living in another language and participating in cultural activities from a variety of French-speaking countries. From *le batik* (fabric art with wax and dye) to *chanson et danse* (songs and dance), villagers at *Lac du Bois* have an abundance of choices for *les activités*. Whether just learning *bonjour* or reciting Baudelaire, villagers progress through skills and vocabulary at their level and pace through a blend of listening, speaking, reading, writing, and conversational activities.

Find *chez toi* (your place) at *Lac du Bois*, or check out our French adventure canoeing excursion, *Les Voyageurs*!
