

Hi Julie and Mark!

This Thursday is [Giving Hearts Day](#) — one of the longest-running and most successful giving days in the country! **With your support, we can ensure Cobbers have the resources they need to thrive at Concordia and go out into the world to make a difference.**

Your gift will ensure Cobbers can experience all the opportunities campus has to offer while carrying less of a financial burden. **As a 2010 grad, I know this to be true because I benefitted from the kindness, support, and generosity of a community that was invested in my success.** I received a scholarship that made Concordia accessible to me, and I am forever grateful! In those four years, I became a more curious person, I met my best friends, and I traveled the world. I was able to have this experience, and be a Cobber, because of my scholarship funded by generous people who invested in me.

And now, I am proud to help pay that forward for students like Lydia. Lydia is preparing to teach the next generation of engaged citizens; the world needs more teachers like her!

GIVE TODAY

You can help us kickstart the campaign by making your gift early. **Your donation of \$10 or more will be matched up to \$50,000.**

Thank you for partnering with us to empower and equip our first-generation students — and thank you for your Giving Heart!

Take care,
