

**Here's to our Cobbers...** and here's to YOU, the parents and friends who care for them. Your support makes all the difference!

Today through Thursday, in just three days, the Concordia community is coming together to raise funds for students in need this fall. Will you honor your Cobber or someone important to their college experience by giving for scholarships?

**MAXIMIZE YOUR IMPACT:** President Colin and Kelly Irvine are matching the first gifts given and two generous Cobber parents will match \$1,000 in gifts made in honor of current students and recent grads!

Your dollars will remove financial barriers for the students most in need of support, helping make their Concordia education possible.

**Here's to you, Mia.** Thank you for ALL you do to support your own Cobber - and for your gift that will empower all Cobbers to thrive at Concordia and beyond!
