

Here's to YOU, Michelle and Jonathan!

You joined more than 330 people giving nearly \$110,000 this week.

THANK YOU! Combined with \$66,000 in matching funds (*thank you to our match donors!*), we raised more than \$175,000 for student scholarships - and gifts are still coming in!

We are inspired by YOU and all your generous gifts made in honor of faculty, staff, friends and loved ones. If you have not yet submitted a written tribute, and would like us to notify the individual(s) you honored with your gift, please complete the short "Here's to You" notification form by next Friday, June 20th. We look forward to sharing your heartfelt messages with honorees later this summer.

CREATE YOUR TRIBUTE

Thank you again for your commitment to empowering this new generation of Cobbers to create their own Concordia stories. You are making a difference - and the students you're supporting will, too!

Have a great summer,

Katherine Emily
