Dear NAME,

Thank you for your generous support of <<Giving Information>>. It has been truly inspiring to see so many people come together in support of the villages and the life-changing experiences they provide.

With the first session of the season beginning in less than three weeks, your gift to <<Giving Information>> is helping ensure that every villager can have a transformative summer at Concordia Language Villages. **At a time where it has never felt more important to continue to inspire courageous global citizens, your gift is a powerful affirmation of the importance of this work.** Because of your support, villagers will build confidence, form lifelong friendships, and strengthen their language skills through immersive cultural experiences they will carry with them long after summer ends.

We are deeply grateful for your partnership and excited for the impact your generosity will make in the lives of villagers this season and beyond.

With gratitude,
