

Hello Katherine,

As department chair, I am so lucky — I get to work with outstanding students and amazing colleagues every day, watching and listening to them create music that activates the body, excites the intellect, moves the heart, and stirs the soul, all while building lasting bonds of friendship.

Through support for scholarships, programs, special projects, technology, and equipment, you can join our expanding musical community. **Make a contribution today to Sustain the Refrain and help ensure that current and future generations of Cobbers continue to have access to exceptional music-making opportunities in a supportive community!**

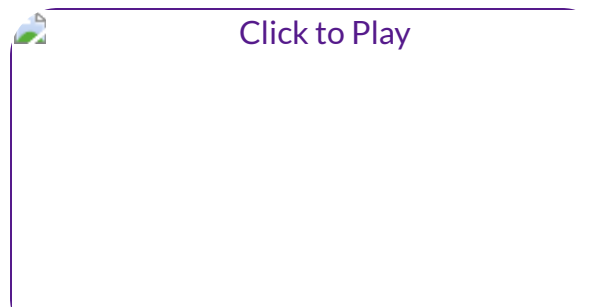

GIVE TODAY

Thank you for your generosity!

Nat

Dr. Nat Dickey
Department Chair

P.S. Lydia '27 has a message for you — along with a selection from The Concordia Orchestra's home concert last weekend. Enjoy!
