

## Welcoming Five New International Students to Concordia

We were honored to welcome five additional students to campus hailing from Canada, Nepal, Nigeria, Tanzania, and Syria just in time for our Spring 2022 semester! Students enjoyed personalized virtual and in-person orientation events and, in true Minnesota fashion, piles of fresh snow to herald their arrival at Hector International Airport.

## Immersive Service-Learning Marks Spring Break 2022

In keeping with past years, Spring Break 2022 is defined by unique service-learning projects. More than 130 students are volunteering through Habitat for Humanity to build homes for those less fortunate while others are participating in Justice Journeys, immersive trips each engaging with a specific social justice issue. Students passionate for theatre (or simply wanting to experience the excitement of the Big Apple!) additionally had the option to travel New York City. Led by Professor David Wintersteen, this nine-day excursion features theatre tours, connections with theatre professionals and, of course, live performances on Broadway.
