

CELEBRATING OUR STUDENTS

It's always rewarding to see students, faculty, and staff come together to mark International Education Week and this year was no different! Concordia students come from nearly every corner of the globe (62 countries to be exact) and it was a joy celebrating their cultures, cuisines, and unique traditions. The festivities went on all week, with a flag ceremony, cultural tables, scholar recognition, and faculty and student panels. We finished the week with our International Student Organization festival featuring delicious food and awesome performances.

**JANUARY
15**

Admission + Scholarship PRIORITY DATE

Concordia College is committed to providing a transformational undergraduate experience at an affordable price. As such, the college is continuing last year's tuition reduction along with ensuring that every single admitted international student receives scholarship support.

Our International Excellence Awards now go as high as **\$17,000** annually. Students who complete their application materials by January 15 receive an additional **\$500** per year!

CONCORDIA PRIORITIZES WHICHEVER IS HIGHER

GPA*	IB (Predicted)	SAT Composite	Award Amount
3.97+	39+	1450+	\$17,000
3.85+	38	1360+	\$16,000
3.7+	37	1300+	\$15,000
3.55+	35	1230+	\$14,000
3.35+	33	1160+	\$13,000
3.01+	27	1100+	\$12,000
<=3.0	24-26	1090-	\$11,000

INTERNATIONAL AMBASSADORS

Bariira Hussein '26

"What motivated me the most to study abroad is the idea of immersing myself in new experiences, and culture whilst gaining a deeper understanding of the world. I saw a chance to enhance my mindset, knowledge and overall experience through studying abroad."

**HARGEISA, SOMALILAND
BUSINESS MARKETING**

Rodrigo Perez Novelo '25

"I love the international students and the community we have; I truly enjoy all the exciting cultural clash that happens between us international students as we learn from students' cultures and lives from literally every corner in the world. Also, all the learning of the local culture and lifestyle — I find it exciting."

**MEXICO CITY, MEXICO

NEW PROGRAMS

Beginning in 2024, students can explore a range of innovative, interdisciplinary programs that are market-smart and that lead to high-demand jobs.

Applied Data Analytics Certificate

For undergraduates interested in delving into the world of data analytics, we are developing a new certificate program. This certificate will empower students with practical knowledge and skills essential for thriving in data-centric fields.

World Languages for the Workspace Certificates

In response to the global demand for multilingual professionals, we will be introducing four unique certificates in world languages tailored for the workplace. These certificates will enable students to communicate effectively in diverse international settings, enhancing their career prospects.

Registered Behavioral Technician Certificate

In collaboration with Pediatric Partners in Fargo, we are offering a registered behavioral technician certificate. This program prepares students to make a difference in the lives of children and families, addressing the growing need for qualified professionals in behavioral healthcare.

Expanded Opportunities in Music

Building on our rich tradition of musical excellence, we are thrilled to introduce a dynamic new opportunity — a drumline. Starting this fall, students can participate in this exciting musical endeavor, enriching our campus with the vibrant rhythms of percussion.

Esports Expansion

Following the success of our inaugural esports teams in League of Legends and Overwatch 2, we are expanding our esports offerings. In addition to these teams, we are introducing two new teams: one competing in Super Smash Brothers Ultimate and the other in Rocket League. Concordia College continues to foster a spirit of competition and camaraderie in the world of esports.

Clay Targets Team

Embracing the enthusiasm for sports in our region, Concordia College is proud to provide our students with the opportunity to excel in the thrilling sport of clay targets. Clay targets is one of the fastest-growing high school sports in the area, engaging thousands of student-athletes in Minnesota alone.

Stay tuned for more announcements in the coming months as we continue to expand our offerings and empower our students for a successful future.
